- 1.4 You must be an Australian resident and at least 12 years of age to be eligible for Bendigo Phone Banking or Bendigo e-banking.

2. Access numbers, passwords and PINs

- 2.1 If we approve your application, we will provide you with an access number and a temporary PIN or password. The temporary PIN or password is valid for five days from the date of issue. Before the end of that five day period you must use that access number and temporary PIN or password to access Bendigo Phone Banking or Bendigo e-banking for the first time. 3. Deposits made by electronic credit into your account

- 3.1 Deposits may be made to your account by electronic credit such as Direct Entry Payments or NPP Payments (including via Osko) using:
 - (a) the BSB and account number for your account; or
 - (b) for NPP Payments only, once the NPP has been launched, a PayID created and registered to your account in accordance with clause 4 below.
- 3.2 We will tell you if, for any reason, you are no longer able to receive electronic credits to your account via a particular payment service or system.

4. PayIDs

- 4.1 At our discretion, we may allow you to create a PayID for your account so that NPP Payments can be made to your account using the PayID instead of the BSB and account number. The creation of a PayID can only be completed once the NPP has been launched.
- 4.2 Creating a PayID is optional. We will not create a PayID for your account without your consent.

Creating a PayID

- 4.3 You may create a PayID for your account by contacting us on 1300 236 344, telling us the type of PayID you would like to create and providing us with all the information we request. Depending on your circumstances, we may also allow you to create a PayID in e-banking. If your account is a joint account, each account holder may create a PayID for the account.

- 4.4 You may only create a PayID for your account if:
- (a) we are able to verify your identity in a manner that is satisfactory to us;
 - (b) you own or are authorised to use the PayID;
 - (c) the PayID is not likely to be misleading as to who the account holder for the account is; and
 - (d) creating the PayID will not infringe on the intellectual property rights of any person.

- 4.5 We may refuse to allow you to create a PayID for any reason, including where we have not been able to satisfactorily verify your identity or we are not satisfied that you own or are authorised to use the PayID you are trying to create or we are not satisfied that creating the PayID will not infringe the intellectual property rights of any person.

- 4.6 By creating a PayID for your account:

- (a) you assure us that you own or are authorised to use the PayID;
- (b) you agree to immediately notify us if any of the information you provide to us when creating the PayID changes or becomes incorrect or misleading;
- (c) you acknowledge that the PayID and information relating to you and the account the PayID is linked to (including the account name, BSB and account number) will be registered in the NPP Addressing Service operated by NPP Australia Limited (not us); and
- (d) you consent to:
 - i. us disclosing your personal information and the other information you provide to us to NPP Australia Limited as necessary to create the PayID in the NPP Addressing Service; and
 - ii. third parties, such as NPP Australia Limited and other financial institutions that connect to or use the NPP, collecting, storing, using and disclosing that information (including your name and account details) in accordance with the NPP Regulations and NPP Procedures and as necessary for purposes related to NPP Payments to you or your account. Without limiting the last sentence, you acknowledge that the account name associated with your account, or a summary of it, may be disclosed to any person that initiates an NPP Payment using the PayID.

- 4.7 The types of PayIDs we allow you to create and link to your NMMC account may differ depending on the type of account you have.
- 4.8 More than one PayID can be created and linked to an account provided that each PayID is unique. A particular PayID can only be created and linked to one account at a time, across all financial institutions. If a PayID has already been created and linked to an account (with us, NMMC, or another financial institution) you will not be able to create it and link it to another account unless the existing PayID is closed or transferred (see below).

Transferring a PayID from or to another account

- 4.9 You can transfer a PayID that is created and linked to either one of your nominated accounts (with us or NMMC) or an account with another financial institution, to another nominated account or to a different account with another financial institution. However, you cannot transfer a PayID while it is locked (see 4.16 below).
- 4.10 If you want to transfer a PayID you have created for one nominated account to a different nominated account, you can do so by contacting us and requesting that we transfer the PayID. We will action your request within one business day unless we agree another time period with you.
- 4.11 If you want to transfer a PayID you have created for a nominated account to an account at another financial institution, you can do so by first contacting us and telling us that you want to do so, and then creating the PayID with the other financial institution. We will action your request and allow the PayID to be transferred to the other financial institution within one business day unless we agree another time period with you.
- 4.12 If you want to transfer a PayID that has been created and linked to an account at another institution to one of your nominated accounts with us or NMMC, you must first contact the other financial institution to tell them you want to transfer the PayID and then create the PayID with us (see clauses 4.3 to 4.7 above). The other financial institution must allow the PayID to be transferred within one business day unless you agree to another time period.

Please note: If you tell us or another financial institution that you want to transfer a PayID but do not successfully create the PayID and link it to the new account within 14 days, you may need to start the process again.

Updating, locking and closing a PayID

- 4.13 You can request that we update or close a PayID that has been created and linked to your account at any time by contacting us.
- 4.14 You must promptly notify us if, at any time, you cease to own or be authorised to use a PayID created and linked to your account or if any of the information you give us when the PayID is created changes, and request that we update or close the PayID.
- 4.15 We will action a request from you to update or close a PayID within one business day unless we agree another time period with you.
- 4.16 We may, if we have reasonable grounds for doing so, lock or close a PayID created and linked to your account at any time without prior notice to you. Without limitation, this includes where:
- (a) you have requested that we do so;
 - (b) we reasonably believe or suspect that you do not own and are not authorised to use the PayID;
 - (c) we reasonably believe or suspect that the information you provide to us or the statements you make to us when creating the PayID are incorrect, incomplete or misleading;
 - (d) you fail to comply with your obligations under these terms and conditions;
 - (e) we suspect you created the PayID or are using the PayID in connection with fraudulent or illegal activity;
 - (f) we have closed or restricted your account or you cease to be the account holder or authorised to use the account; or
 - (g) we are required to do so under the NPP Regulations or NPP Procedures.

We will tell you if we lock or close a PayID you have created and linked to your account, within a reasonable period of doing so, unless it was done at your request.

- 4.17 If your PayID is locked, you can request that it be unlocked by contacting us. If a PayID is closed it must be re-created before it can be used again.
- 4.18 The NPP Addressing Service may automatically lock or close a PayID if no NPP Payments have been made using the PayID and no updates to the information relating to the PayID are made for 10 years.
- 4.19 A PayID cannot be transferred or updated while it is locked and no payments can be received using a PayID while it is locked or after it has been closed.

PayID disputes

- 4.20 If a PayID cannot be created for your account because it has already been created and linked to another account by someone else, you can contact us and, if we are satisfied you own or are authorised to use the PayID, we can lodge a dispute with the financial institution with which the PayID has been created on your behalf to determine whether that financial institution should close the PayID so that you can create it. However, there is no guarantee that the dispute will be resolved in your favour or result in you being able to create the PayID for your account (for example, if the other financial institution's customer is also authorised to use the PayID). We will promptly notify you of the outcome of the dispute.

Liability for PayIDs

- 4.21 We are not liable to you for any loss or damage you suffer as a result of:
 - (a) a PayID being created and linked to your account or you using or attempting to use a PayID that has been created and linked to your account;
 - (b) us refusing to create a PayID or any delay in a PayID being created and linked to your account;
 - (c) us locking or closing a PayID that has been created and linked to your account; or
 - (d) any failure or malfunction of the NPP (including the NPP Addressing Service) or any of our systems or procedures that use or connect with the NPP

- 4.22 You indemnify us against, and will be liable to us for, any direct or indirect loss, damage, charge, expense, fee or claim we may suffer or incur in respect of any PayID that is created and linked to your account or your use or attempted use of such a PayID. We may debit any such loss, damage or cost to any of your nominated accounts as applicable.

7. Authorised users

- 7.1 You may ask us, in writing, to authorise one or more other people to use Bendigo Phone Banking or Bendigo e-banking to access or access and operate a nominated account. Such a person must be registered with us as an authorised user.
- 7.2 Where there is more than one authorised user you must specify how many of the authorised users must authorise a transaction in order to operate your account. Your instructions in relation to how many authorised users must authorise a transaction in order to operate your account are called operating instructions.
- 7.3 If you are a company, body corporate, club or association, we may require appointment of authorised users and directions as to operating instructions to be under common seal or authenticated by minutes of a resolution of your directors or governing body.
- 7.4 We do not have to agree to your request to add an authorised user to your account, but if we agree we may impose conditions. If we do not agree to your request, we will notify you.
- 7.5 You may request a maximum daily withdrawal limit to apply to your authorised user(s). This limit may include \$0 or view only access.

- 7.7 We are entitled to act on all instructions given by your authorised users in accordance with your operating instructions (including appointing a new authorised user or revoking the authority of an authorised user) unless the authorised user is an authorised user who can only access, but not operate, your account, in which case we will only act on the instructions of that person insofar as they relate to accessing your account. We are not required to make any enquiries in relation to any instructions received by an authorised user in relation to the operation of your account. Subject to Part 5: BPAY and Part 7: Pay Anyone service you are wholly liable for any loss or damage you or a third party suffer as a result of us acting upon those instructions.
- 7.8 These terms and conditions (other than this clause 5) apply to the authorised user in the same way that they apply to you. You should ensure that any authorised user has read these terms and conditions and complies with them as if the authorised user were you. If the authorised user does not comply with these terms and conditions, you will be in default.
- 7.9 You consent to us giving an authorised user information about your account.

- 8.2 We recommend a security token with Bendigo e-banking to ensure the most secure form of access.
- 8.3 We will make reasonable efforts to ensure the availability of Bendigo Phone Banking and Bendigo e-banking during the hours we have specified from time to time and ensure that information we make available to you through Bendigo Phone Banking and Bendigo e-banking is correct.
- 8.4 We may block access to Bendigo Phone Banking or Bendigo e-banking at any time without notice if we believe either service is being misused by you or used without your authority.
- 8.5 Where your access has been blocked due to fraudulent activity, you will be required to use a security token, firewall software and anti-virus software, update your operating system and provide proof of the same on your computer before access will be reinstated.
- 8.6 We can remove your electronic access without giving you notice where you have not accessed the Bendigo e-banking system for at least six months or Bendigo Phone Banking for at least 12 months.

9. Exiting Bendigo e-banking

- 9.1 If you use Bendigo e-banking you must click on the logoff button when you have finished using the service. This is particularly important in a work environment or another environment where the terminal you are using may be left unattended for a reasonable period of time.

10. Confirmation of transactions

- 10.1 We will provide you with a transaction receipt number every time you make a transaction on your account using Bendigo Phone Banking or Bendigo e-banking. You should record the transaction receipt number and it should be quoted if you have any queries in relation to that transaction.
- 10.2 Subject to the requirements of any law, where you carry out a transaction through Bendigo e-banking on our website and we make a transaction record or receipt (which you can save or print) available to you on the website immediately on completion of the transaction, we will not provide you with a paper transaction record or receipt.

- 10.3 You agree that we may give you notifications relating to NPP Payments which are sent from or received into your account by making the information available to you in Bendigo e-banking. We may also notify you by other methods (including email and/or text messages to your mobile device).

11. Our responsibility for Bendigo Phone Banking and Bendigo e-banking

- 11.1 Subject to any other provisions of these terms and conditions, to the extent permitted by law, we are not liable to you for or in connection with:
 - (a) any failure, malfunction, delay or error (for any reason) of any equipment, system or software which is not controlled or provided by or on behalf of us (including, without limitation, the telephone, internet enabled device, software and telecommunications and Internet Service Provider services you use to access Bendigo Phone Banking or Bendigo e-banking);
 - (b) any unavailability or failure (of which you should have been aware) of Bendigo Phone Banking or Bendigo e-banking to accept instructions from you;
 - (c) any failure of an access number, password or PIN to permit you to access Bendigo Phone Banking or Bendigo e-banking;
 - (d) disclosure of information relating to your accounts through Bendigo Phone Banking or Bendigo e-banking where the information has been obtained by or in conjunction with any person using your PIN, password or access number; or
 - (e) any unauthorised access to your information transmitted by us through Bendigo Phone Banking or Bendigo e-banking in relation to a nominated account; or
 - (f) any failure of an authentication key to permit you to access Bendigo e-banking.
- 11.2 You acknowledge and accept that Bendigo Phone Banking and Bendigo e-banking may only show transactions and balances current as at the previous business day.

Part 3: Use and security of your access number, security token, password and PIN

This part applies if you have an access number, security token, password or PIN.

12. Protecting your access number, security token, password and PIN

12.1 The security of your access number, security token, password and PIN is very important. You may be liable for unauthorised transactions to which you contribute by not keeping your password and PIN secure. Your liability is governed by clause 13 of Part 4: EFT transactions – PIN, password and/or access number generated transactions.

12.2 You must ensure that you:

- (a) keep your password and PIN secure and protected;
- (b) do not tell anyone your PIN or password;
- (c) do not record your PIN anywhere, in electronic or written form, and, in particular, not on the “user guide” provided by us upon registration;
- (d) do not select a PIN that is easily identified with you (e.g., your date of birth, your name or part of it or your phone number);
- (e) do not select a PIN that is a common or easily guessed combination (e.g., consecutive or repeated numbers such as 1234 or 5555);
- (f) do not provide your PIN or password to any person (including a family member or a friend);
- (g) do not allow any unauthorised person to observe or hear your PIN or password;
- (h) only install a soft security token on a device which is and remains in your possession and secured by an access security feature which is only known by or unique to you such as a PIN, passcode, password or biometric login;
- (i) keep any physical security token issued to you in a secure place, do not give it to any other person and regularly check that it remains in your possession; and
- (j) if your physical security token requires the use of a PIN, not disclose that PIN to any other person.

12.3 The following ways of recording a PIN are often deciphered by thieves and it is strongly recommended that these ways are not used for recording PINs:

- (a) recording the PIN as a series of numbers with any of them marked, circled or highlighted to indicate the PIN;
- (b) recording the PIN with surrounding information that makes it stand out from its context (for instance, a PIN recorded as a four or six digit telephone number where all other numbers are eight digits);
- (c) recording the PIN as a string of digits in isolation from other information; and
- (d) recording the PIN as a birth date, postcode or telephone number without additional features of disguise.

13. Loss, theft and unauthorised use of your access number, security token, password or PIN

13.1 You must notify us immediately if:

- (a) any record you may have of your PIN or password, or any record your authorised user may have of their PIN or password, is lost or stolen;
- (b) you become aware or suspect another person knows your PIN or password or has used your PIN or password without your authority;
- (c) someone steals a physical security token from you;
- (d) you lose your physical security token or a device on which a soft security token is installed.

In Australia contact Bendigo Bank on: 1300 236 344. Overseas: By telephone on 61 3 5485 7872 or by fax on 61 3 5485 7613.

13.2 Any unreasonable delay in notifying us may expose you to liability for losses incurred as a result of unauthorised access or transactions. Liability for unauthorised transactions is set out in clause 13 of Part 4: EFT transactions – PIN, password and/or access number generated transactions.

13.3 You are not liable for any unauthorised transactions which could have been prevented during any period of unavailability of the contact points as given in clause 11.1, as long as you notify us within a reasonable time of a contact point becoming available.

- 13.4 When you report the loss, theft or unauthorised use of your PIN or password, you will be given a notification number which you should retain as evidence of the date and time of your report.
- 13.5 You should confirm any verbal notification in writing as soon as possible.

Part 4: EFT transactions – PIN, password and/or access number generated transactions

This part applies to EFT transactions.

14. Liability for authorised transactions

- 14.1 You are responsible for all transactions carried out using an access number, password or PIN by you or by anyone else with your knowledge and consent.
- 14.2 If Bendigo Bank equipment or a Bendigo Bank system malfunctions after having accepted your instructions or fails to complete the transaction in accordance with your instructions resulting in loss to you of some or all of the amount of a transaction, we will correct that loss by making any necessary adjustments to your account, including an adjustment of any interest or fee. If you consider that you have incurred additional losses as a consequence of the malfunction you may make a claim for any such loss.
- 14.3 If you are aware or should have been aware that the Bendigo Bank equipment or Bendigo Bank system was unavailable for use or was malfunctioning then our responsibility will be limited to the correction of errors in your account and the refund of any fee imposed as a result.
- 14.4 We may withdraw electronic access to your account without prior notice to you in the event of any Bendigo Bank equipment or Bendigo Bank system malfunction.

15. Liability for unauthorised transactions

- 15.1 You will not be liable for losses arising out of:
- (a) unauthorised transactions where it is clear that you have not contributed to the loss; or
 - (b) the fraudulent or negligent conduct of our employees or agents or companies involved in networking arrangements or of merchants who are linked to the EFT system or their agents and employees; or

- (c) any component of an access method that is forged, faulty, expired or cancelled; or
 - (d) unauthorised transactions occurring after you have notified us as required by these terms and conditions that the security of a PIN or access number has been breached; or
 - (e) transactions which require the use of a PIN, password or access number forming part of your access method and that occurred before you had received that PIN, password or access number (including a reissued PIN, password or access number); or
 - (f) the same transaction being incorrectly debited more than once to the same account;
- 15.2 You are liable where we can prove on the balance of probability that you have contributed to the losses in any of the following ways:
- (a) through your fraud; or
 - (b) by you voluntarily disclosing the PIN or password to anyone, including a family member or friend; or
 - (c) by keeping a record of your access number and PIN or password (without making any reasonable attempt to protect the security of the records) on the one article, or on several articles so that they are liable to loss or theft simultaneously; or
 - (d) where we permit you to select or change a PIN or password, by selecting numbers which represent the user's birth date or letters which are a recognisable part of their names, if immediately before this was done we specifically warned you not to do so and that you might incur liability by doing so; or
 - (e) by acting with extreme carelessness in failing to protect the security of the PIN or password; or
 - (f) where the ePayments Code requires, that the recording or voluntary disclosure of one or more but not all of the codes forming part of the access method was the dominating contributing cause of the loss.
- 15.3 In these cases, you will be liable for the actual losses which happened before you notified us that the security of a PIN or password forming part of the access method had been breached, but you will not be liable for any of the following amounts:
- (a) that portion of the losses incurred on any one day which exceeds the applicable daily withdrawal limits; or

- (b) that portion of the losses incurred in a period which exceeds any other periodic withdrawal limits applicable to that period; or
- (c) that portion of the total losses incurred on any account which exceeds the balance of that account (including any prearranged credit); or
- (d) all losses incurred on any accounts which we and you had not agreed could be accessed using the access method; or
- (e) any losses incurred as a result of conduct we expressly authorised you to engage in; or
- (f) any losses incurred as a result of you disclosing, recording or storing a PIN or password in a way that is required or recommended for the purposes of using an account access service (such as when you provide your codes to an aggregator service or store your codes in an electronic wallet on your computer) which is expressly or impliedly promoted, endorsed or authorised by us.

15.4 Where we can prove on the balance of probability that you have contributed to the losses by unreasonably delaying notification after becoming aware that the security of all the codes forming part of the access method has been breached, you are liable for the actual losses which occur between when you became aware and when we were actually notified, but you are not liable for any of the following amounts:

- (a) that portion of the losses incurred on any one day which exceeds any applicable daily withdrawal limits;
- (b) that portion of the losses incurred in a period which exceeds any other periodic withdrawal limits applicable to that period;
- (c) that portion of the total losses incurred on any account which exceeds the balance of that account;
- (d) all losses incurred on any accounts which you and we had not agreed could be accessed using the access method.

15.5 Where we cannot prove you were liable under clauses 13.2 or 13.4 and a PIN, password or access number was required to perform the unauthorised transaction, you will be liable for the least of:

- (a) \$150; or

- (b) the balance of those accounts (including any prearranged credit) which you and we have agreed may be accessed using the access method; or
- (c) the actual loss at the time we were notified that the security of the codes forming part of the access method had been breached (excluding that portion of the losses incurred on any one day which exceeds any applicable daily withdrawal or other periodical withdrawal limits).

15.6 You authorise us to debit any amount for which you are liable under this clause 13 to your account.

Part 5: BPAY

This part applies if you ask us to make a BPAY payment on your behalf.

16. About the BPAY scheme

- 16.1 The BPAY scheme is an electronic payments scheme through which you can ask us to make payments to billers who inform you that you can make BPAY payments to them through the BPAY scheme.
- 16.2 We are a member of the BPAY scheme and we will inform you if we are no longer a member.
- 16.3 You can make BPAY payments through the BPAY scheme from a nominated account only if you have access to Bendigo e-banking or Bendigo Phone Banking.
- 16.4 We are not acting as your agent or the agent of the biller when we make a BPAY payment on your behalf.

17. Using the BPAY scheme

- 17.1 When you tell us to make a BPAY payment, you must provide us with the following information:
 - (a) the account from which the BPAY payment is to be debited;
 - (b) the BPAY biller code of the biller to be paid;
 - (c) the amount of the BPAY payment; and
 - (d) the biller customer reference number.
- 17.2 You acknowledge and accept that we are not obliged to effect a BPAY payment if you do not give to us all of the above information or give us inaccurate information.
- 17.3 We will then debit the account you specify with the amount of that BPAY payment.

17.4 We may decide not to make the BPAY payment if there are insufficient cleared funds or there is insufficient available credit in the specified account at the time you have told us to make that payment.

18. Payments

18.1 We may impose restrictions on the accounts from which a BPAY payment may be made or impose limits on the amount of BPAY payments.

18.2 We will not accept an instruction to stop a BPAY payment once you have instructed us to make that BPAY payment except for future dated payments which can be cancelled before the due payment date.

18.3 Billers who participate in the BPAY scheme have agreed that a BPAY payment you make will be treated as received by the biller to whom it is directed:

- (a) on the date that you make that BPAY payment, if you tell us to make the BPAY payment before our payment cut-off time on a business day (for payment cut-off times see clause 22 below);
- (b) on the next business day, if you tell us to make a BPAY payment after our payment cut-off time on a business day or on a non-business day; or
- (c) on the day or next business day you have nominated for a scheduled payment to take place.

18.4 A delay may occur in the processing of a BPAY payment where:

- (a) there is a public or bank holiday on the day you tell us to make a BPAY payment;
- (b) you tell us to make a BPAY payment either on a day which is not a business day or after our payment cut-off time on a business day;
- (c) another financial institution participating in the BPAY scheme does not comply with its obligations under the BPAY scheme;
- (d) a biller fails to comply with its obligations under the BPAY scheme.

18.5 Although a delay in processing a BPAY payment is not expected to continue for more than one business day, you acknowledge and accept that a delay may continue for a longer period.

19. If the amount of a payment to a biller is incorrect

19.1 You must ensure that the information in relation to each BPAY payment is correct. If you discover that you have instructed us to make a payment to a biller for an incorrect amount:

- (a) if the amount you instructed us to pay is greater than the required amount, contact the biller for a refund; or
- (b) if the amount is less than the required amount, you should make a further BPAY payment for the difference.

20. When a biller cannot process a payment

20.1 If we are notified that your BPAY payment cannot be processed by a biller, we will:

- (a) notify you;
- (b) credit your account for the amount of the BPAY payment; and
- (c) if you request, take all reasonable steps to assist you in making the BPAY payment as quickly as possible.

21. Suspension of BPAY

21.1 We may suspend your right to participate in the BPAY scheme at any time if you are suspected of acting in a fraudulent manner.

22. Cut-off times

22.1 If you instruct us to make a BPAY payment before the time specified below, it will in most cases be treated as having been made on the same day.

Cut-off times:

Monday – Friday: 5:00pm (AEST/AEDT)

Saturday, Sunday and public holidays:

Processed next business day.

22.2 BPAY payments may take longer to be credited to a biller if you tell us to make a BPAY payment on a Saturday, Sunday or public holiday or if the biller does not process a payment as soon as they receive its details.

23. Liability for mistaken payments, unauthorised transactions and fraud

23.1 You must notify us immediately if you:

- (a) become aware that you may have made a mistake (except in relation to the BPAY payment amount – see clause 17.1) when instructing us to make a BPAY payment;

- (b) did not authorise a BPAY payment from your account;
 - (c) believe the BPAY payment was not processed in accordance with your instructions (including delays);
 - (d) think you have been fraudulently induced to make a BPAY payment.
- 23.2 We will attempt to rectify any such matters in relation to your BPAY payment in the way described in this clause. If a BPAY payment is made on your account without your knowledge or consent, liability for that unauthorised BPAY payment will be determined in accordance with clause 13 in Part 4: EFT transactions – PIN, password and/or access number generated transactions. Otherwise, except as set out in this clause 23, we will not be liable for any loss or damage you suffer as a result of using the BPAY scheme.
- 23.3 If a BPAY payment is made to a person or for an amount which is not in accordance with your instructions (if any), and your account has been debited with the amount of that payment, we will credit that amount to your account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount within 20 business days of us attempting to do so from the person who received the amount of that payment, you must pay us that amount and you authorise us to debit that amount to your account.
- 23.4 If a BPAY payment is made in accordance with a payment direction which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your account with the amount of that unauthorised payment. However, you must pay us the amount of that unauthorised payment, and you authorise us to debit that amount to your account, if:
- (a) we cannot recover that amount within 20 business days of us attempting to do so from the person who received it; and
 - (b) the payment was made as a result of a payment direction which did not comply with any requirements we may have for such payment directions.
- 23.5 If a BPAY payment is induced by the fraud of a person involved in the BPAY scheme, then that person should refund you the amount of the fraud induced payment. However, if that person does not refund you the amount of the fraud induced payment, you must bear that loss (and you authorise us to debit the amount of the fraud induced payment to your account) unless some other person involved in the BPAY scheme knew of the fraud or would have detected it with reasonable diligence, in which case we will attempt to obtain a refund for you of the fraud induced payment.
- 23.6 If a BPAY payment you have made falls within the type described in clause 23.3 and also clause 23.4 or 23.5, then we will apply the principles set out in clause 23.4. If the BPAY payment you have made falls within both the types described in clauses 23.3 and 23.5, then we will apply the principles set out in clause 23.5.
- 23.7 You indemnify us against any loss or damage we may suffer due to any claims, suits, demands or action of any kind brought against us arising directly or indirectly because you:
- (a) did not observe any of your obligations under these BPAY conditions; or
 - (b) acted negligently or fraudulently in connection with the other terms and conditions of your account.
- 23.8 If you tell us that a BPAY payment made from your account is unauthorised, you must first give us your written consent addressed to the biller who received that BPAY payment, consenting to us obtaining from the biller information about your account with that biller or the BPAY payment, including your customer reference number and such information as we reasonably require to investigate the BPAY payment. We are not obligated to investigate or rectify any BPAY payment if you do not give us this consent. If you do not give us that consent, the biller may not be permitted under law to disclose to us information we need to investigate or rectify that BPAY payment.
- 23.9 We are not liable for any consequential loss or damage you suffer as a result of using the BPAY scheme, other than any loss or damage which is due to our negligence or a breach of any condition or warranty implied by law which cannot be excluded, restricted or modified at all or only to a limited extent.

Part 6: BPAY View

This part applies if you use the BPAY View service.

24. About the BPAY View service

24.1 The BPAY View service is a feature of the BPAY system that allows you to receive bills and statements online. Bills and statements are delivered via email and you will receive a message when you log on to Bendigo e-banking. BPAY View is only available if you have access to Bendigo e-banking.

25. Registering/Deregistering for the BPAY View service

25.1 You need to register in order to use BPAY View. You register by logging on to Bendigo e-banking via www.nmmc.com.au and following the prompts. BPAY View is only available from the time we notify you of its availability. You must have a current valid email address to register for this service.

26. Security token

26.1 In order to gain access to the BPAY View service you will be required to use a security token. A security token and PIN is an additional security feature to prevent unauthorised access to your account. A fee will apply to this service. Loss of or damage to your security token may incur a replacement fee. See the Schedule of Fees and Charges (NMMC) document. If you have a security token in connection with Bendigo e-banking, you can use the same security token for BPAY View.

26.2 Your security token is used to authenticate BPAY View and the delivery of your bills and bill information via Bendigo e-banking. You acknowledge and accept that in conjunction with your Bendigo e-banking access ID and PIN:

- (a) a security token, together with your selected PIN, is the means by which you access BPAY View; and
- (b) anyone using your security token and PIN will be able to have access to BPAY View.

26.3 You authorise us to act upon all instructions given to us using your security token and PIN and subject to any other provision of these terms and conditions, you are liable for any such instructions.

27. Protecting your security token and PIN

27.1 The security of your security token and PIN is very important. You must ensure that you:

- (a) keep your security token and PIN secure and protected;
- (b) do not tell anyone your PIN;
- (c) do not record your PIN anywhere, in electronic or written form;
- (d) do not select a PIN that is easily identified with you (e.g., your date of birth, your name or part of it or your phone number);
- (e) do not select a PIN that is a common or easily guessed combination (e.g., consecutive or repeated numbers such as 1234 or 5555);
- (f) do not provide your PIN or security token to any person (including a family member or a friend); and
- (g) only install a soft security token on a device which is and remains in your possession and secured by an access security feature which is only known by or unique to you such as a PIN, passcode, password or biometric login; and
- (h) do not allow any unauthorised person to observe or hear your PIN.

27.2 You must:

- (a) keep your physical security token and any device on which you have installed a soft security token in a safe place;
- (b) check regularly that you have your physical security token and any device on which you have installed a soft security token in your possession.

28. Cancellation of BPAY View

28.1 We may at our absolute discretion cancel your access to BPAY View at any time without notice to you. Without limiting the circumstances in which we may cancel access, we may cancel access if:

- (a) we believe either your security token or your PIN is being used, or will be used, in a way that will cause loss to you or us;
- (b) you breach any of these terms and conditions;
- (c) you do not use Bendigo e-banking for six months; or

- (d) the security or quality of the service is threatened.
- 28.2 If we cancel your access to BPAY View we will notify you as soon as possible.

29. Nominating BPAY View billers

- 29.1 You must nominate the BPAY View billers you wish to receive bills and statements from. You can delete a BPAY View biller from your list of nominated BPAY View billers at any time. Deletion is effective immediately and the BPAY View biller will be notified.

30. Collection and disclosure of personal information

- 30.1 You authorise us to disclose to the BPAY View billers nominated by you:
- (a) such of your personal information (e.g., your name, email address and the fact that you are our customer) as is necessary to enable BPAY View billers to verify that you can receive bills and statements electronically using BPAY View (or telling them if you cease to do so); and
- (b) that an event referred to in clauses 33.1(b), 33.1(c), 33.1(d), 33.1(e), 33.1(f) or 33.1(g) has occurred.
- 30.2 You authorise us or a nominated BPAY View biller (as appropriate) to collect data about whether you access your emails, Bendigo e-banking and any link to a bill or statement.

31. Notice of bills or statements

- 31.1 If you register for access to BPAY View, you will receive bills and statements electronically and you agree that this satisfies the legal obligations (if any) of a BPAY View biller to give you bills and statements. For the purpose of this clause we act as the agent for each BPAY View biller nominated by you in providing the message or email containing or linking to the bill or statement.
- 31.2 If you receive an email notifying you that you have a bill or statement, then that bill or statement is received by you:
- (a) when we receive confirmation that your server has received the email notification, whether or not you choose to access your email; and
- (b) at the email address nominated by you.

- 31.3 If you receive notification of a bill or a statement via a message when you log on to Bendigo e-banking (i.e., without an email) then that bill or statement is received by you:
- (a) when the notification is available through Bendigo e-banking, whether or not you choose to access Bendigo e-banking; and
- (b) at Bendigo e-banking.
- 31.4 Bills and statements delivered to you will remain accessible through Bendigo e-banking for the period determined by the BPAY View biller, up to a maximum of 18 months. If you do not use Bendigo e-banking for six months we may determine that you are not actively using BPAY View and may delete all bills and statements at any time after making that determination.

32. Your obligations

- 32.1 You must:
- (a) contact the BPAY View biller direct if you have any queries in relation to bills or statements;
- (b) check your emails or log on to Bendigo e-banking at least once a week;
- (c) tell us if you are unable to gain access to your email or Bendigo e-banking or a link to a bill or statement for any reason;
- (d) ensure your mailbox can receive email notifications (e.g., it has sufficient storage space available); and
- (e) tell us if your contact details (including email address) change.

33. Paper bills and statements

- 33.1 You may receive paper bills and statements from a BPAY View biller instead of electronic bills and statements:
- (a) if you request a BPAY View biller to provide paper bills and statements (a fee may be charged by the applicable BPAY View biller for supplying the paper bill or statement to you if you ask for this in addition to the electronic form);
- (b) if you deregister from BPAY View;
- (c) if the BPAY biller ceases to participate in the BPAY system;
- (d) if we receive notification that your email mailbox is full, so that you cannot receive any email notification of a bill or statement;

- (e) if your email address is incorrect or cannot be found and/or your email is returned to us undelivered;
- (f) if we are aware that you are unable to gain access to your email or Bendigo e-banking or a link to a bill or statement for any reason; or
- (g) if any function necessary to facilitate BPAY View malfunctions or is not available for any reason for an extended period.

34. BPAY View billing errors

34.1 You agree that if a BPAY View billing error occurs:

- (a) you must immediately upon becoming aware of the BPAY View billing error take all reasonable steps to minimise any loss or damage caused by the BPAY View billing error, including contacting the applicable BPAY View biller and obtaining a correct copy of the bill; and
- (b) the party who caused the BPAY View billing error is responsible for correcting it and paying any charges or interest which would ordinarily be payable to the applicable BPAY View biller due to any consequential late payment and as a result of the billing error.

34.2 You agree that for the purpose of this clause you are responsible for a BPAY View billing error if the BPAY View billing error occurs as a result of an act or omission by you or the malfunction, failure or incompatibility of computer equipment you are using at any time to participate in BPAY View.

Part 7: Pay Anyone service

This section applies if you use the Pay Anyone Service.

35. About the Pay Anyone Service

- 35.1 The Pay Anyone Service is an online service that allows you to transfer funds directly to accounts at financial institutions within Australia. You can only transfer funds using the Pay Anyone Service if you have access to Bendigo e-banking.
- 35.2 Access to the Pay Anyone Service will require you to use a security token.
- 35.3 Once activated, you can use the Pay Anyone Service to arrange an immediate or future dated one-off transfer or to set up regular future dated transfers to accounts at financial institutions within Australia, but only where you have a valid BSB number and account number for the account you want to transfer to or a PayID which has been created and linked to the account.

- 35.4 We may decide not to process a Pay Anyone transfer, including future dated transfers, if there are insufficient funds available for withdrawal in the account to be debited on the relevant transfer date. We will notify you in Bendigo e-banking if this occurs.
- 35.5 We may also decide not to process a future dated Pay Anyone transfer if you have instructed us to make a transfer using a PayID and, at the relevant transfer time, we become aware that the details registered for that PayID in the NPP Addressing Service have substantially changed since you instructed us or, in the case of recurring payments, since the previous transfer. We will notify you in Bendigo e-banking if this occurs.

36. Registering/Deregistering for the Pay Anyone Service

- 36.1 Contact 1300 236 344 to register for the Pay Anyone Service. On registration, you will be required to set a daily Pay Anyone limit (see clause 47.1 below).
- 36.2 You may deregister your access, or the access of an authorised user, to the Pay Anyone Service by contacting 1300 236 344. Your authorised user may deregister their access at any time without your consent.

37. Using the Pay Anyone Service

- 37.1 When you tell us to make a Pay Anyone transfer, you must provide us with the following information:
 - (a) the account from which you want us to debit the Pay Anyone transfer;
 - (b) the correct details for the account of the person or business to whom you wish to transfer funds which may be either:
 - i. the BSB number of the financial institution at which the account is held and the account number; or
 - ii. once the NPP has been launched, a PayID created and linked to the account;
 - (c) a payment reference or description;
 - (d) the amount of the Pay Anyone transfer; and
 - (e) where you have given us a BSB and account and we give you the option, whether you want the Pay Anyone transfer sent by Osko (see clause 40 below for more information).

- 37.2 You acknowledge and accept that we are not obliged to effect a Pay Anyone transfer if you do not give us all of the above information or give us inaccurate information.
- 37.3 You authorise us to debit the nominated account you specify with the amount of the Pay Anyone transfer.
- 37.4 The maximum length of the payment reference or description you can send with a Pay Anyone transfer depends on whether it is being processed as an Osko Payment or a Direct Entry Payment (see clause 40 below for more information). You must ensure that the payment reference or description you tell us to send with a Pay Anyone transfer does not contain, reference or link to:
- (a) any swearing, profanity or offensive, discriminatory, threatening or abusive content;
 - (b) any sensitive personal information of any person (including information or an opinion about a person's racial or ethnic origin, political opinions or membership of a political association, religious beliefs or affiliations, philosophical beliefs, membership of a professional or trade association, membership of a trade union, sexual orientation or practices, criminal record, health information);
 - (c) anything which infringes the intellectual property rights of any person; or
 - (d) anything which is illegal or seeks to promote illegal activity.
- 37.5 We may disclose any personal information about a person you include in a payment reference or description to the person the personal information relates to.
- 37.6 You may access the payment reference or description you tell us to send with a Pay Anyone transfer using Bendigo e-banking. Payment references and descriptions may not be included in your account statement, or may be included in a truncated form.
- 37.7 If you instruct us to make a Pay Anyone transfer using a PayID and we display the name registered to that PayID to you, you must ensure that the name we show you reasonably represents the person you intend on transferring the funds to before you confirm your instruction. You must cancel the transfer if the name that we show to you as being registered to the PayID is not the name of the intended payee or a business operated by the intended payee.

38. Incorrect BSB or Account Number

- 38.1 When we process a Pay Anyone transfer using a BSB and account number you provide, we do not cross check the account number with the account name or reference you provide us.
- 38.2 The financial institution receiving your Pay Anyone transfer may also only use the BSB and account number provided and not cross check account numbers and account names.

Example 1: You want to send a Pay Anyone transfer to Mr Citizen's account, being BSB 001 012 account number 123456 however you type in BSB 001 012 account number 123465, the payment will be made into account number 123465 instead of Mr Citizen's account.

Example 2: You want to send a Pay Anyone transfer to Mr Citizen's account, being BSB 001 012 account number 123456 however you type in BSB 001 021 Account Number 123456, the payment will be made into account number 123456 at BSB 001 021 instead of BSB 001 012.

- 38.3 Therefore, it is vital that you give us the correct account number and BSB when instructing us to process a Pay Anyone transfer using a BSB and account number.

WARNING: It is your responsibility to ensure that the BSB and account number you provide us are correct. We will not be liable for any loss as a result of you entering the wrong BSB or account number.

39. Security tokens

- 39.1 You will be required to use a security token as an added security feature to prevent unauthorised access to your nominated account and to enable you to make Pay Anyone Service transfers via Bendigo e-banking securely.
- 39.2 You authorise us to act on all instructions we receive using your security token.
- 39.3 Your security token is used to authenticate Pay Anyone Service transfers made via Bendigo e-banking. Use of your security token is your electronic authorisation of transactions and suitable care and responsibility must be taken regarding its use and access.
- 39.4 If you fail to comply with any of your obligations under these terms and conditions in relation to your security token, we shall be immediately entitled to cancel your use of the Pay Anyone Service via Bendigo e-banking.

40. Processing Pay Anyone Payments

- 40.1 Pay Anyone transfers may be processed as a Direct Entry Payment or, once the NPP has been launched, as an Osko Payment.
- 40.2 We may decide whether to process Pay Anyone transfers you request from your accounts as Direct Entry Payments or Osko Payments at our absolute discretion and you must not assume that Osko Payments will always be available or offered to you.
- 40.3 When you tell us to make a Pay Anyone transfer using a BSB and account number, we will check whether the financial institution at which the payee account is held is able to receive Osko Payments. If the financial institution at which the payee account is held is able to receive Osko Payments, we may give you the option of sending the Pay Anyone transfer as an Osko Payment.
- 40.4 If the financial institution at which the payee account is held is not able to receive Osko Payments, or we do not give you the option of sending the Pay Anyone transfer as an Osko Payment, the Pay Anyone transfer will be sent as a Direct Entry Payment.
- 40.5 At our discretion, we may allow you to make Pay Anyone transfer using a PayID instead of a BSB and account number. Where we do, the PayID must have been created and linked to an account at a financial institution and the financial institution must be able to receive Osko Payments.
- 40.6 When you tell us to make a Pay Anyone transfer, we will tell you if it will be processed as an Osko Payment. If we do not tell you your Pay Anyone transfer will be processed as an Osko Payment, you must assume it will be sent as a Direct Entry Payment. Where possible, we may also tell you when your Pay Anyone transfer will be debited immediately.
- 40.7 Regardless of whether your Pay Anyone transfer is processed as an Osko Payment or a Direct Entry Payment, the account from which you want us to debit the Pay Anyone transfer will be debited immediately.
- 40.8 Pay Anyone transfers are irrevocable and once you have told us to make a Pay Anyone transfer it cannot be stopped or cancelled. You must therefore take care to ensure all information you give us in relation to Pay Anyone transfer request is correct and complete.

41. Osko Payments

- 41.1 Where we process a Pay Anyone transfer as an Osko Payment, the transfer will be processed, cleared and settled on a 24/7 near real-time basis.
- 41.2 If we are advised by the financial institution at which the payee account is held that the account is not able to receive Osko Payments, we will return the funds to your account.
- 41.3 When the funds associated with an Osko Payment are credited to the payee account and made available to the payee will depend on the financial institution at which the payee account is held and its systems and processes.
- 41.4 Delays may occur in processing Osko Payments where:
- (a) the infrastructure used to process the Osko Payment is not able to process transactions;
 - (b) we experience a services disruption which prevents us from processing Osko Payments;
 - (c) we are required to delay processing an Osko Payment in compliance with any applicable laws (including any laws relating to anti-money laundering);
 - (d) you fail to comply with your obligations under these terms and conditions for any reason;
 - (e) the financial institution at which the payee account is held or the relevant account holder fails to comply with their obligations or is experiencing a services disruption which prevents it from receiving or processing Osko Payments;
 - (f) the financial institution at which the payee account is held delays processing; or
 - (g) we delay processing of the Osko Payment to investigate and review it to ensure it is not fraudulent, illegal or improper or to confirm that it has been properly authorised by you.
- 41.5 We will notify you in Bendigo e-banking when a Pay Anyone transfer instruction you give us is successfully completed or fails for any reason where we have processed the Pay Anyone transfer as an Osko Payment. We may also notify you by other methods (including email and/or text messages to your mobile device).

42. Direct Entry Payments

42.1 Where we process a Pay Anyone transfer as a Direct Entry Payment, if you instruct us to transfer funds on a business day before the cut-off time specified below, the transfer will generally be processed overnight on that business day. Subject to the arrangements and practices of the financial institution at which the payee account is held, the transfer will generally settle on the next business day.

Cut-off times:

Monday – Friday: 7.00pm (AEST /AEDT)

Saturday, Sunday and public holidays:
processed next business day.

42.2 Pay Anyone transfers processed as Direct Entry Payments may take longer to be credited to the payee account if you tell us to make the Pay Anyone transfer on a Saturday, Sunday or public holiday or if the financial institution at which the payee account is held does not process a payment as soon as they receive it.

43. If a transfer amount is incorrect

- 43.1 You must ensure that the information you give us in relation to each Pay Anyone transfer is correct.
- 43.2 If you discover that you told us to make a transfer for an incorrect amount:
- (a) if the amount transferred is less than the required amount, you can simply make a further Pay Anyone transfer for the difference; or
 - (b) if the amount transferred is greater than the required amount, contact the person or business to whom the funds were transferred to obtain a refund for the excess. If we processed the Pay Anyone transfer as an Osko Payment, we may be able to request that the transferred funds, or just the overpaid amount, be returned on your behalf. However, the amount transferred may not be returned to you unless the person or business to whom the funds were transferred consents to their financial institution returning the funds.

44. Refunds and chargebacks

44.1 Except as provided for in clause 43.2 above and clauses 48 and 49 below, refunds cannot be processed in respect of Pay Anyone transfers.

44.2 Where a Pay Anyone transfer has been correctly completed but you have a dispute with the person to whom the funds were transferred, you will need to resolve the dispute directly with that person.

44.3 No “chargeback” rights are available in relation to Pay Anyone transfers, even if the payment has been made from a credit card account or another account with a card linked to it.

45. Suspension of the Pay Anyone Service

45.1 We may suspend your right to use the Pay Anyone Service, or your ability send Pay Anyone transfers as Osko Payments, at any time without prior notice to you if you are suspected of acting in an illegal or fraudulent manner or if we believe doing so is necessary to protect the security or integrity of our systems or to prevent you or us suffering any loss or damage.

46. Account restrictions

- 46.1 Pay Anyone transfers are not available from all account types.
- 46.2 We may impose restrictions on the accounts from which a Pay Anyone transfer may be made or impose limits on the amount of Pay Anyone transfers, or the total amount of Pay Anyone transfers that may be processed as Osko Payments, from specific account types, at our discretion.

47. Pay Anyone transaction limits

- 47.1 When you register for the Pay Anyone Service you must set your daily Pay Anyone limit which is the maximum value of all Pay Anyone transfers you may request on any day. If you want to set a limit greater than \$30,000, you will be required to complete an application form available at your nearest Bendigo Bank branch. We may approve or decline your requested daily Pay Anyone limit at our discretion.
- 47.2 We may decline any Pay Anyone transfer instruction where accepting it would cause you to exceed your daily Pay Anyone limit.
- 47.3 We may increase, reduce or otherwise change your Pay Anyone daily limit, at our discretion. We will notify you in writing at least 20 days before taking such action unless the change is required to immediately restore or maintain the security of a system or facility or to prevent criminal activity or fraud.

47.4 You can also ask us to increase or decrease your daily Pay Anyone limit by contacting us. If you want to increase your daily Pay Anyone limit to an amount that is greater than \$30,000, you will be required to complete an application form available at your nearest Bendigo Bank branch. We may approve or decline such a request at our discretion.

48. Liability for mistakes, misdirected payments, unauthorised transactions and fraud

This clause 48 does not apply to Mistaken Internet Payments to which clause 49 applies.

48.1 You must notify us immediately is:

- (a) you become aware that you may have made a mistake when instructing us to make a Pay Anyone transfer or have provided us with incorrect information;
- (b) you become aware that a Pay Anyone transfer made using a PayID from your account was directed to an incorrect account;
- (c) you did not authorise a Pay Anyone transfer that has been debited to your account;
- (d) you believe a Pay Anyone transfer was not processed in accordance with your instructions (including delays); or
- (e) you think you have been fraudulently induced to make a Pay Anyone transfer.

48.2 We will attempt to rectify any such matters in relation to your Pay Anyone transfer in the way described in this clause. If necessary, you can complain to us about the way your report of any such matters is dealt with as described in clause 49.14 of these terms and conditions.

48.3 Where we consider it appropriate and we are reasonably able to do so, we will request that the financial institution to whom the funds were transferred returns the funds to us. However, depending on the circumstances, the financial institution to whom the funds were transferred may not return the funds to us unless their account holder consents.

48.4 Where the transferred funds are returned to us, we will credit them to your account and make them available to you as soon as practicable.

48.5 You indemnify us against, and will be liable to us for, any direct or indirect loss, damage, charge, expense, fee or claim we may suffer or incur as a result of the return of funds to us where we have requested that a Pay Anyone transfer be returned. We may debit any such loss, damage or cost to any appropriate account you hold with us or NMMC.

48.6 If a Pay Anyone transfer is made on your account without your knowledge or consent, liability for that unauthorised Pay Anyone transfer will be determined in accordance with clause 13. Otherwise, except as set out in this clause 48, we will not be liable for any loss or damage you suffer as a result of using the Pay Anyone Service.

48.7 You indemnify us against any loss or damage we may suffer due to any claims, suits, demands or action of any kind brought against us arising directly or indirectly because you:

- (a) did not observe any of your obligations under the terms and conditions in this section; or
- (b) acted negligently or fraudulently in connection with the other terms and conditions.

48.8 We are not liable for any consequential loss or damage you suffer as a result of using the Pay Anyone Service other than any loss or damage which is due to our negligence or breach of any condition or warranty implied by law which cannot be excluded, restricted or modified at all or only to a limited extent.

49. Mistaken internet payments

49.1 In this clause, the following words have these specific meanings:

“ADI” has the same meaning as “Authorised Deposit-taking Institution” in the Banking Act 1959 (Cth).

“mistaken internet payment” means a “Mistaken Internet Payment” under the ePayments Code or a “Mistaken Payment” under the NPP Regulations.

Note: This relates to payments you make to an Unintended Recipient using the Pay Anyone Service where you enter an incorrect BSB or account number. It does not include payments made using BPAY or a Misdirected Payment under the NPP Regulations.

“other ADI” means the Authorised Deposit-taking Institution (as defined in the Banking Act 1959 (Cth)) of the unintended recipient.

“receiving bank” means an ADI who subscribes to the ePayments Code where their customer is the unintended recipient.

“unintended recipient” means the recipient of funds as a result of a mistaken internet payment.

49.2 This clause applies where you have made a mistaken internet payment:

- (a) covered by the ePayments Code and the other ADI subscribes to the ePayments Code; or
- (b) which was processed through the NPP

49.3 If you have made a mistaken internet payment, you should report it to us as soon as possible. We will investigate your reported mistaken internet payment and inform you of the outcome in writing within 30 business days of your report.

49.4 If we are satisfied that a mistaken internet payment has occurred, we will contact the receiving bank. We are not required to take any further action if we are not satisfied that a mistaken internet payment has occurred.

49.5 If the receiving bank is also satisfied that a mistaken internet payment has occurred the next actions will depend on whether the unintended recipient has sufficient funds available in their account.

49.6 Where the unintended recipient has sufficient funds available in their account, the process depends on when you reported the mistaken internet payment.

- (a) If you made the report within ten business days, the receiving bank will withdraw the funds from the unintended recipient's account.
- (b) If you made the report between ten business days and seven months, the receiving bank will give the unintended recipient ten business days to establish that they are entitled to those funds. If the unintended recipient does not establish that they are entitled to the funds, the receiving bank will withdraw the funds from the unintended recipient's account.
- (c) If you made the report after seven months, the receiving bank may try to get the consent of the unintended recipient to return the funds. If the unintended recipient consents, the receiving bank will withdraw those funds from the unintended recipient's account.

49.7 Where the unintended recipient does not have sufficient funds available in their account, the receiving bank will use reasonable endeavours to retrieve the funds from the unintended recipient.

49.8 Where the receiving bank withdraws the funds from the unintended recipient's account, the receiving bank will return the funds to us. We will then return the funds to you.

49.9 We are not required to credit your account for the amount of an incorrect Pay Anyone payment pending investigation of your report.

49.10 We are not required to backdate funds to your account received from an unintended recipient, nor are we required to adjust interest applied to your account.

49.11 If the receiving bank is not satisfied that a mistaken internet payment has occurred the receiving bank may try to get the consent of the unintended recipient to return the funds.

49.12 You will be liable for losses arising from the mistaken internet payment if the receiving bank does not recover the funds from the unintended recipient.

49.13 If you are the unintended recipient of funds and if we are required to withdraw those funds from your account under the ePayments Code (as the receiving bank), you authorise us to withdraw those funds in accordance with the ePayments Code.

49.14 You may complain about the report by contacting us at the Customer Feedback Team on telephone 1300 361 911 8:30am – 5:00pm (AEST/AEDT) Monday to Friday. If you are not satisfied with the outcome you may contact the Australian Financial Complaints Authority on telephone 1800 931 678.
